Who we are?

- ▶ We set out in the process of establishing Al Hussam Towers from 1437 Hijri year in the hotel and hospitality sector when we specialized in the management and operation of hotels and under the management of several hotels distributed within the central area of Medina.

The years passed with young and ambitious experiences in the development of

- ▶ the hotel and hospitality sector, and the projects extended to include many promising hotel companies in their field to seek continuous development and keep pace with the renaissance of the Kingdom of Saudi Arabia in line with the vision of the future 2030. In line with this, over the past years, we have implemented more than 8 hotels, in addition to hosting and housing pilgrims and Umrah pilgrims, and marketing hotels for the Hajj and Umrah seasons.

We are proud of being one of the first hotel companies that seeks to bring about positive change and a qualitative leap in raising the level of efficiency in the hotel and hospitality sector.

Promising opportunities and integration with Vision 2030 in the hotel and hospitality sector

Keeping pace with the vision of the future is a promising opportunity and a motivating difference point, especially with the launch and adoption of the vision of the Kingdom's

leadership in developing and expanding the hospitality and tourism sector and raising it to the highest levels of competition locally and globally.

W Hotel services and increase strategic partnerships to achieve local and global spread through distinguished agents.

Our vision:

To achieve leadership in the development of the hotel and hospitality sector to make Al Hussam Towers a unique and distinguished brand in providing its hotel services and providing facilities for pilgrims, Umrah pilgrims and visitors from / inside and outside the Kingdom of Saudi Arabia with high efficiency.

Our message

To provide the best services to the guests of the Prophet's Mosque, including Hajj pilgrims, Umrah pilgrims, and visitors, and to meet their needs through hotel hospitality with the highest quality standards and complete comfort.

Al Husam Towers Company's values:

Trust and credibility.

Professionalism and quality of performance.

Sustainability and abundance.

Transparency and integrity.

Our goals

- › Improvement and development to raise quality and increase the efficiency of affiliated facilities.
- › Innovation and leadership in the hospitality industry.
- › Adopting the responsibility in developing the tourism and hotel accommodation activity.
- › Participation and creating a stimulating environment by supporting charitable and humanitarian projects.

To be the first developer and a prominent brand in hotel activity.

HOSSAM TOWERS

our policy

Distinguished Management:

We plan effectively to implement the distinguished management standards for each hotel establishment in the tourism sector.

Quality and innovative solutions:

We innovate and design the finest solutions to implement high quality standards to raise the hotel level and provide an exceptional and unique experience to customers.

Technology:

An experienced technical team is keen to keep abreast of technical development and the latest technical and marketing solutions and hotel transactions as the basis of a strong competitive advantage that allows customers to access services and technical solutions, such as: reservation and payment services and fast access to the Internet through electronic marketing platforms for hotels.

Attraction and operational plans:

We strive for our policy to be a well-thought-out efficiency that helps us create cooperative opportunities and attract companies that own tourists and pilgrims from all over the world, where privacy and full services and facilities are secured for them.

Care:

Considering that care is a moral support, we depend in our policy on providing high care, hospitality, and integrated assistance to people of determination in a way that guarantees them comfort with great care.

Hospitality:

With the support of an experienced team specialized in providing the finest types of hospitality with a high level of safety and comfort around the clock, and a contract with a company to provide professionally trained labor in the hotel field.

A healthy and distinguished work environment:

With future directions and vision, we are keen to create a work environment with professional ethics, positivity, respect and appreciation, while improving the work environment motivation by providing training opportunities for them to develop their skills in line with work objectives.
